A refined and subtle Pinot Noir from France displaying fresh fruit flavors and balance.

Grape variety : 100 % Pinot Noir

Vineyards : sloping vineyards located on the foothills of the cooler Pyrenees and Cevennes mountains, in the South of France. Soils made of limestone, perfect for the delicate Pinot Noir.

Winemaking : vinification starts with 2 days of prefermentation cold maceration in order to get fresh fruit, followed by a two week maceration. Ageing lasts about 6 months with French oak and bottling is done early in order to capture the grapes' primary flavors.

Tasting notes : Refreshing and subtle aromas of ripe raspberries and cranberries with hints of plum and a touch of toast. The palate shows a balance of ripe fruit and freshness with an appealing spicy smokiness.
